DR. RAJAT GARG, MDS
ORAL SURGEON

DR. J K SINGH, MDS
ORTHODONTIST

FOUR LEVELS OF INSTRUMENT STERILIZATION

- Washed with soap and water
- Scrubbed with isopropyl alcohol
- Packaging in pouches
- Autoclaved at 121 degree Celsius like intensive surgery instruments

Hygiene, Disinfection & Sterilization of top level is the primary milestone that all staff members adhere to. Apart from the basic personal protective equipment like gloves and masks, we adhere to disinfecting all the surfaces of the clinic and autoclave all the instruments used in diagnosis or treatment with the globally accepted protocols.

40+ Years

of experience
as a team

WHY US?

Professional experience

Dr. Nikhil Girdhar has been treating patients from all walks of life since 15 years. But unlike other long-standing practices, Dr. Nikhil Girdhar has focused intensively on the latest technological advancements in the field and the latest research .

Personal touch and passionate care

At Dr. Nikhil's office, we treat you like family. Our Staff is friendly, caring and professional. We always listen to you and do our best to create a positive experience for you and your family.

We are on time

We recognize that your time is valuable and we respect that by being on time for your appointments. We have a dedicated appointment management software for your comfort.

Technology

We use the following innovative technologies that allow fewer visits, less missed work/school, less radiation and discomfort, and shorter total treatment time: Digital Impressions, Digital X-rays (less radiation than conventional X-rays) ,Digital photos, Digital Prescription, Digital Invoice, Digital Billing, Digital appointment reminders.

OUR GOAL

Smile is a curve that sets every thing straight. And that is what we practice too as a team. We know there's nothing in the world that gives more joy than seeing a warm smile spread across you and your family's faces.

We want you to have everything in the world to smile about – unabashed, confident, and beautiful.
