## What Our Patients Say- Mrs. Deepa Manchanda

Highly recommended dentist of the city for the dental implants root canals. Huge fan of him for last 7 years. Travel from sector 12 all the way to get the treatment done as I have complete faith and trust in him. Full mouth scan facility also available in house no need to go any other diagnostic center. Thank you so much.

## What Our Patients Say- Mr. Shivam Prabhakar (Resident of Dubai)

Had been Visiting Dr. Nikhil for last 10 years. Had root canals done 10 years ago. Very happy to share my experience of past 10 years. Here to replace my caps with metal free Zirconia Caps. The process was very fast quick and efficient with the digital technology used by Dr; Nikhil & his team. Thank you Dr. Nikhil for this amazing experience.
