NEW

It was a very good experience with doctor Nikhil , good service and issue was taken care of immediately. He explained about the situation in detail and was knowledgeable. Do visit for any issues.

NEW

Dr Nikhil is very experienced and soft spoken.

Visited for teeth extraction, but dr. advised for re-ct, which saved the teeth and helped well. Got best consultation and treatment here.

# UNDERPRIVILEGED DAY

## Where did we go?

- Sewa Bharti School Jattal Road
- Students are children from underprivileged family

## What we did?

- Complimentary Checkup of 242 Students done by Dr. Mamta
- Oral Hygiene Interactive Talk
- Invited the children for complimentary treatment to clinic

## What does Invisalign mean?

- ◆ Clear, removable aligners instead of wires & brackets
- ◆ Custom-made for your teeth
- ◆ Comfortable & nearly invisible – no one will notice!
- ◆ Easily removable for eating & brushing

## Invisalign Scan Day

Invisalign is a modern, invisible way to straighten your teeth without metal braces!  
It's like a magic tray that gently moves your teeth into place!

Want to see how your smile can transform? Book your free scan today!

# INTERESTING PERSONALITIES IN CLINIC

Meet Mr. Rajender Bharadwaj (Retd Chief Manager SBI). He is gem of a personality with his witty and jovial conversations. He is a man with profound knowledge and immense happiness. A hard-working man even after retirement just for the joy of working is one of our most valued clients as a person who has been our ambassador for years.
